Silicon Asia, started by author and journalist Rebecca Fannin in 2009, builds upon the expertise she has gained from more than a decade covering entrepreneurship, technology and venture investment in Asia and Silicon Valley.

Rebecca brings a deep understanding of the issues and trends in the world's innovation hubs. Her book, Silicon Dragon, was favorably reviewed by The Wall Street Journal and Financial Times and translated into several languages. Her new book, Startup Asia, received endorsements from The Economist and Technology Review and was highlighted in a New York Times article. Startup Asia features interviews from more than 100 venture capitalists and entrepreneurs in China, India, Vietnam, Singapore, Hong Kong and Taiwan.
