

California Trade Mission to China

Beijing | Shanghai | Hangzhou | Nanjing
November 3 – 9, 2019

From **November 3d to November 9th** the **Bay Area Council** will lead a Trade Mission to China for the second **China International Import Exposition (CIIE) in Shanghai**. We would like to extend an invitation to all organizations and businesses across California interested in trade with China to join this delegation with the purpose of building personal relationships with Chinese government counterparts and fostering new business and trade opportunities.

The 2019 Trade Mission will stop in **Beijing, Shanghai, Nanjing, and Hangzhou** to meet with the departments of commerce, senior municipal leaders, and hold trade forums. A full day will be dedicated to CIIE in Shanghai where the Bay Area Council will sponsor a 72 square meter pavilion for delegates to display trade goods.

The delegation fee is \$5000 per attendee (\$3000 for spouses or partners) which covers all seven days of logistics, tourism, meals, and accommodations during the delegation with exception to international airfare. If you have special requests or would like to schedule meetings during the trip that conflict with this agenda, please contact us and we will support your logistical arrangements.

Thank you for your attention. We hope you will join us and be a part of keeping the economic relationship between our state and China healthy and mutually beneficial.
